## EXPERIENCE

2016 - 2019

### Como Cafe - Waiter

At this interval of time, I had no experience and I was young that's why I was trying to gain communication experience and also working in teams to learn how to be collaborative .

2020 - 2022

### Freelancer Digital Marketer

I have learned about Digital marketing online then I could be able to do some freelance work for my surroundings as management of their Youtube channels and social media business accounts so freelancing has taught me how to manage my time.

## EDUCATION

2021 - 2025

### Kafrelsheikh University

### Bachelor of Software Engineering

From 2021 till now I currently studying at the Faculty of Computers and Information I have finished the first level with more than a 3.0 GPA

2020 - 2021

### High School

### High School Degree

I have earned my degree in 2021 from High school in the department of mathematics Finally, I could be graduated with 77.8% a grade then I could join the Faculty of Computers and Information.
